BRERA

Brera è un divano letto che può essere arricchito diventando una composizione anche molto grande. Ogni elemento si sviluppa in un letto, o in un grande pouf, uno spazio dove si può decidere come riposare, seduti o sdraiati come meglio vi aggrada. Un semplice gesto e il gioco è fatto, sotto è stato ricavato uno spazio porta cuscino o porta plaid.

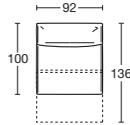

BRERA

Brera is a sofa bed that can be enriched by becoming a very large composition. Each element develops into a bed, or a large pouf, a space where you can decide how to rest, sitting or lying down as you like. A simple gesture and you're done, a pillow or plaid holder space has been created underneath.
